

Call for Entries
for the Fourth Annual
Sans Souci Festival of Dance Cinema*, 2007
First screening at the **Boulder Museum of Contemporary Art**
Boulder, CO, USA
Friday & Saturday, April 6th & 7th, 2007

Sans Souci is an international festival of dance cinema. We invite and encourage submissions from all artists regardless of credentials and affiliations. With an expansive definition of *dance* and an appreciation for highly experimental and interdisciplinary forms, this unique festival exposes diverse audiences to a variety of film and video possibilities including mixed-media interminglings of the live and recorded forms. In addition to our primary screening at the Boulder Museum of Contemporary Art in Colorado, USA, our tour brings selected films to other USA and international venues.

Requirements:

1. With each entry submitted, include: media, the Official Entry Form, production photos or screen shots, and the appropriate entry fee. The submission must arrive at our address before midnight on the deadline date. Make your check payable to Sans Souci Festival of Dance Cinema. Send your entries to:

BMoCA

<u>Deadline</u>	<u>Entry Fee</u>

Friday, March 9, 2007	\$35

2. Submitted media must be mini-DV or DVD in NTSC format – we cannot support PAL or SECAM formats. DVDs must be viewable in RCE Region 1, US and Canada.
3. Digital production photos are preferred but printed photos will be accepted. Digital photos should be both 72 dpi AND 300 dpi photo jpegs. They may be submitted on CD or DVD or as a URL. If providing a URL it should point directly to the image (not a web page) unless the image is on a page by itself. Please include photo credit information.
4. Note that we are not interested in simple recordings of dance on a proscenium stage – cinematic elements must be an integral part of the entry.
5. Accepted submissions will be touring to other venues around the U.S. and Mexico. The tour schedule will be posted on the Sans Souci website (www.sanssoucifest.org) when specific dates and times become available.
